

VILLA VENUS

ES COLOMS

Welcome to Villa Venus, a truly unique property set in the hills between Santa Eularia and Cala Llonga.

The property is conveniently located on the South East side of the island, in the vicinity of Santa Eularia and very close to beaches such as Cala Llonga, Playa de s'Estanyol and Cala Olivera. The villa is situated between beautiful hiking areas, and just a short distance to the only golf course on the island. Fantastic restaurants nearby include Bambuddha, Nagai, Casa Colonial, Cala Bonita and A Mi Manera.

There are a total of 7 ensuite bedrooms on the property. Four double bedrooms are positioned in the main house and three bedrooms have external access. To accommodate larger groups or families, it is possible to use two double beds in one large bedroom, or to convert the chill-out room into another ensuite double bedroom.
