

Discover the secret

AMAZING VIEWS & LOCATION

Sleek walls of windows frame vistas of the ancient fortified walls of Ibiza's Old Town at this chilled-out contemporary home.

The classy luxury villa, is located in the private & secured urbanisation Can Rimbau, offering an impressive view over the Ibiza Town, the mediterranean sea and Formentera.

Located only 5 min away from Ibiza Town, Talamanca beach. The Villa is located just 2 min drive from the biggest harbour in Ibiza Marina Botafoch where you could also find the Ibiza's top spots including shops, famous restaurants like Lío, Cipriani, Hart and one of the most famous club Pacha.

The sea, the castle, and the cathedral are on the horizon, but in the foreground are sun-kissed terraces and marble-splashed living areas.

Given the villa's sea views, it's no surprise that Playa de Talamanca is only a 4 minutes drive away. Walk from the beach to the heart of Ibiza Town, or drive to the town's shops and restaurants directly in 10 minutes.

It's also worth exploring the Cap Martinet area, where there are relatively quiet beaches tucked into coves, into town or head for the quieter beaches near Cap Martinet.

LIVE THE GOOD LIFE

Spend sunny days stretched out in a lounge by the infinity pool and tossing fresh seafood and produce on the gas barbecue for an alfresco lunch or dinner.

Score against friends and family on the football table and pinball machine inside, and sweat out late nights at the island's clubs in the private sauna.

But perhaps most inspiring of all is the sensation of floating in the blue infinity pool with the surrounding greenery and the blue skies above.

The villa is designed for those for whom peace, privacy, security and comfort are of prime importance.

Here you can shut the world out and relax, entertain and reside in peace and ultimate comfort.

AN EXCLUSIVE AND ELEGANT SPACE

A stone-floored great room is a cool respite from the sunshine on the terrace. Follow the marble past two sitting areas and a dining table for 10 to a fully equipped kitchen with a breakfast bar, all in urban-loft-inspired tones of white, black, and gray.

Natural light and beautiful views are constant companions in the salon, kitchen and rooms.

The villa is rich in gorgeous aesthetic details, both inside and in terms of the architecture.

The interiors are spacious and tastefully opulent, with delightful living areas that make this a comfortable family home as well as an imposing villa for entertaining.

Here you can immerse yourself in a lifestyle of elite comforts & refined pleasure.
