Your private place in paradise

This majestic and expansive brand-new Blakstad villa offers a stunning combination of privacy, architectural elegance and breathtaking sea views stretching across Ibiza town up to Formentera.

Spanning 900 m², the residence features 7 spacious, light-filled bedroom suites, each with its own ensuite bathroom, designed to the highest standards. Expansive windows open seamlessly onto lush tropical gardens and a striking infinity pool, creating a harmonious flow between indoor and outdoor living.

Designed and built by Blakstad, the islands' most famous architects and developers, reflecting Ibiza's authentic soul with uncompromising modern comfort. Clean lines, refined natural materials and impeccable finishes create an atmosphere that is both timeless and deeply connected to the island's heritage.

Ideally located just 5 minutes from Ibiza Town and 10 minutes from Santa Gertrudis, the property enjoys complete tranquility while remaining close to the island's best restaurants, beaches, and lifestyle hotspots. The villa sits on a vast 16,000 m² fully guarded private estate.

Villa Buena Ventura, Not just a villa - an experience

Set within the breathtaking beauty of Ibiza, this extraordinary 900 m² private villa redefines Mediterranean luxury.

Villa Buena Ventura is fully equipped with airconditioning throughout the whole house, separately controllable in each room. The house is equipped with a domestic system to control all lights inside and outside the house. Throughout the house there is a stable WIFI network with sufficient bandwidth for streaming, gaming or video calls.
